Chapter Concerns: (topics to be forwarded to the Executive Committee Meeting)

Follow-up from Ohio Recordors Association revealed the county of concern is one of four in Ohio which is not a member of their Association, and therefore there is nothing they can do. They are aware of problems. The Chapter is curious as to the cost of membership for the County Recorder in the Association, as pay-in amounts from the Recorder to the Auditor have been obtained. A Chapter member may follow up with the County Commissioners on affordability of Association dues.

Chapter guest present does deed research in various counties, and verified the difficulty in getting access to deed records in the county.
