CPD Topic/Title: Culver-Davies EDM Calibration Baseline History
and Calibration Check Demonstration

Presentation Summary: May 17, 2014 with 16 Surveyors present

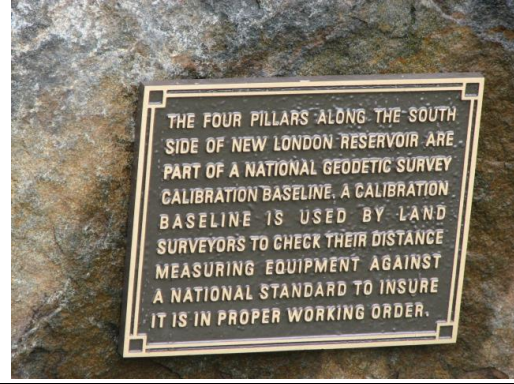

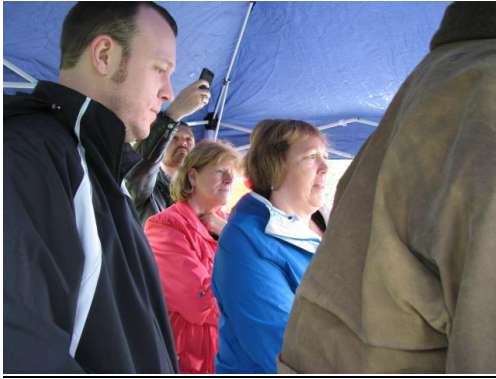

A dedication ceremony for the memorial to David Culver, P.S. 6652 and David Davies, IV, P.S. 6812 was held after the CPD event. Both Surveyor's wives and some family members attended the dedication and all appreciated that PLSO and ODOT honored their loved one by the memorial designation of the Calibration Baseline. A picnic lunch hosted by the Firelands and Mohican-Killbuck Valley Chapters followed the dedication and provided an opportunity for socializing in spite of the light rain.
