Hi PLSO,

Last month December 2012 our chapter held an Askega meet on the eleventh day at the Ashtabula County Engineer Office in Jefferson, Ohio.

The Chapter had Mr. Kirby Zellers for a speaker. Mr. Kirby Zellers spoke on the latest Geoid changes and other G.P.S. concerns.

The Askega Chapter is still looking for some Chapter officers. The Chapter hopes to have all office in place by the end of January.
