

Surveyor / Survey Technician

Kohli & Kaliher Associates, Inc. – Lima, OH

We are seeking a full-time surveyor or survey technician to perform work relating to physical topographic and boundary surveys and construction staking. Additional duties include preparing detailed sketches and notes, performing electronic data collection, and the downloading and processing of survey information. When not working outside on survey projects, the job would entail preparing drawings and site surveying documents for various projects using AutoCAD. Work would be completed under the supervision of a Professional Surveyor and Professional Engineers.

Qualifications:

- Knowledge of the principles, techniques and practices of land surveying
- Skilled in the use of conventional survey equipment, GPS, Robotic Total Stations and Data Collectors
- Knowledge of AutoCAD and other office programs (Word, Excel)
- Ability to work outdoors under various field conditions and weather
- Ability to obtain an Ohio Professional Surveyor's License (P.S.) is a plus

Key Skills:

- Ability to make mathematical calculations
- Logical thinking
- Problem solving and analysis
- High attention to detail / accuracy
- Client service skills
- Verbal and written communication skills
- Organization and time management
- Ability to work independently (self-driven) and as part of a team (cooperation)

This position offers an experience-based salary and a full range of benefits. Applicant must have a valid driver's license and a good driving record. We are an equal opportunity employer. To apply, interested candidates should email a resume to kk@kohlikaliher.com or send a hard-copy by mail to the address below:
