

**Location:** Brecksville

Brecksville/Akron, Ohio

**Date Posted:** 11/19/2017

**Job Title:** SURVEY INTERN / CO-OP

---

**Come work for OHM Advisors, the community advancement firm.**

With the singular mission of Advancing Communities, we create great places. We do it by being uncompromisingly people-centric and delivering innovation day in and day out.

As more than 400 professionals delivering award-winning work across the architecture, engineering and planning spheres, we believe that collaboration breeds higher-grade solutions and that something incredible grows from a team of experts with individual specialties.

**What You will Contribute to OHM Advisors**

OHM Advisors' is an award-winning multi-office and multi-discipline team focused on devoting our public and private sector expertise, forward thinking and insightful counsel to enhancing the built environment and the natural world. As a trusted member of Field Services Survey Group, you will collaborate with innovative thinkers driven to find better solutions on behalf of our clients and the people they serve.

**Your Responsibilities**

- Assisting the Party Chief with operations
- Recognizing and notifying the Party Chief of any issues, immediately
- Ensuring all required equipment is loaded, unloaded, and charged everyday
- Carry and maneuver up to 50lbs
- Basic mathematical principles and basic survey calculations
- Using computers and related software
- Knowledge of Land Survey Terminology
- Knowledge of Topographic, Construction, and Boundary Surveying techniques
- Using complex optical and electronic instruments and equipment. Trimble experience is a plus.
- Operating survey instruments such as total stations, GPS, Robotic total stations, and auto levels
- Basic CAD
- Communicate and use interpersonal skills to interact with coworkers, supervisor, the general public, etc. to sufficiently exchange or convey information and to receive work direction
- Mindful of personal and project team safety in the field
- High Standards in customer service principles

### **What You Will Need to Succeed**

- Bachelor's Degree in Surveying or related field with co-op or prior experience.
- Associates Degree in Applied Science in surveying or related field with prior co-op experience.
- High School Diploma or G.E.D., three years of survey related experience in topographic survey and/or construction layout; or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job such as those listed above.
- Must have a valid OHIO driver's license and reliable transportation to and from office.

### **Growth at OHM Advisors**

Our staff is our greatest asset. We continuously strive to provide tools, mentorship, and resources to help you win at work and life. Read about some of our self-designed career advancement and enrichment programs, like OHM Wellness, OHM Grad School, and OHM University, on our [website](#).

**OHM Advisors is an Equal Opportunity Employer (EOE).** All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status.
