

We are currently searching for **Instrument Operators** to join our Land Surveying group in our **Columbus, Ohio** office. This position will travel up to 80% of the time.

DUTIES

- Operates survey instruments/equipment required to perform surveys on job sites as directed by the Party
- Responsible for the operation, checking and basic field adjustments on transits, total stations, robotic total stations, data collectors, levels, compass, tribrachs, tripods, and GPS equipment
- Coordinate field work for a variety of standard types of surveys under the supervision of a Party Chief.
- Interpret control point records and data sheets, as well as locate points in the field
- Responsible for ensuring the truck is loaded and all supplies necessary for completion of the day's work are fully stocked
- Other duties as assigned

REQUIREMENTS

- High School diploma or equivalent;
- Willing to travel up to 80%, prefer to be local or willing to relocate
- One to two years of Land Survey experience required
- Strong computer and technical skills
- Experience with Trimble Total Stations, Trimble R10 GNSS GPS Receivers and tablet data collectors preferred, but not required
- Strong communication skills (listening, writing and verbal)
- Proven work history, strong work ethic, and team-player
- Valid driver's license, clean background check and drug screening
- Ability to walk 5 miles a day and/or stand for up to 12 hours a day
- Ability to lift and carry up to 50 pounds of equipment
