Topics Discussed: Discussion was focused on the upcoming PLSO voting/ballot and questions related to the proposed PLSO Constitutional Revisions, as well as the separate Membership Vote regarding the 100% NSPS Dual Membership question. There was concern by some of the members that accountability of NSPS was not articulated very well and that PLSO members were in some way paying for something where there was no track record of the organization and how it handled its finances. It was stated by myself and Jim Kenyon that it was possible for PLSO to terminate its association with NSPS in the future if PLSO members felt NSPS was not operating in a financially responsible manner or was not benefitting PLSO members appropriately.
