Promoting the Surveying Industry … in a Positive, Professional Manner!

2018 Annual Golf Outing

This is the Annual Golf Outing for the Central Ohio Chapter of the PLSO. Once again, we will be holding the outing at the Glenross Golf Club on Cheshire Road, in Delaware. The 6,600-yard, par-70 layout features rolling fairways, undulating greens, 50 sand bunkers, seven ponds and a natural creek. Tee to green, Glenross Golf Club has the distinct feel of a private club golfers enjoy playing again and again.

This long-standing outing has been attended by many over the years and has grown to be one of Central Ohio's more enjoyed and participated golf outings each year. Over the past few years attendance has grown to over 80 golfers… and this year we hope to reach 100.

We also look to our hole sponsors, who each year provides support to our industry. For a list of those from last year please see other side of this registration.
