

## CPD SEMINAR NOTICE

The Cleveland Chapter PLSO is hosting a 2-hour CPD seminar presented by Dino Lustri, P.S., P.E., Chief Surveyor of the Cuyahoga County Dept. of Public Works and Sean Snezek of the Cuyahoga County Auditor's Tax Map Dept. on Tuesday, April 19<sup>th</sup> at:

The Brew Garden  
18590 Bagley Rd.  
Middleburgh Hts., Ohio 44130

Dino has been asked by county officials to re-write the Conveyance Standards currently in place and is looking for feedback from those of us practicing in the county. Some of the proposed changes may include requirements for every survey submitted to be tied to two significant monuments nearby, CAD files to be submitted with surveys, electronic signature requirements, elimination of paper & mylar submissions, & specific legal description formats, among others. If you have any thoughts or input on these proposals, come to the meeting and voice your opinion. They could have a dramatic impact on how you do surveys in Cuyahoga County and their cost.

The room is reserved for us from 5:30 to 8:30 PM. Dinner should be around 6:00-7:00 and will be buffet style due to the shortage of servers. Cost: \$5 to cover the room reservation & \$20 for the pasta bar (including alfredo, marinara, chicken, meatballs, etc., etc.) for those who order dinner. Cash or checks to PLSO Cleveland Chapter. All drinks are on your own. RSVP so we'll have your PDH certificate and to let the restaurant know if you'll be having dinner there by replying to:
