

CPD Seminar for Professional Surveyors

Williamsburg's Harmony Hill Museum Assn.

Monday, December 4, 2023

8:30 am-5:00 pm

Pattison Park Lodge, 2228 US 50, Batavia, Ohio 45103

(Lodge is a few miles west of Owensville)

Deciding what coordinate system to be in with methods and tools to use - 2 CPDs

From mission planning using GIS information, reducing data from the field using GPS and conventional ground methods and how that relates to delivering the final product.

** Jeff Lambert, PS - Land Survey Manager at Bayer and Becker, Mason, Ohio

Jeff graduated from Cincinnati State in 1987, then worked with Carl Hartman PS. Licensed in Dec 1993. Jeff celebrated 30 years with Bayer & Becker, working in KY, OTR and Mason Offices.

Basic Septic System Design - the rules, process, determinations - 2 CPDs

Understanding Board of Health rules and policies, determining compliance and how that affects us in working with them. Good information for surveyors and others gathering field data.

** Bob Shannon, PS - Bob began as a rod man at 18, moved to Florida at 21 where he

did locations, topo and construction layout. Returning to Ohio at 25, he worked for 2 future County Engineers, working mostly on construction sites. Licensed in 1998, Bob partnered with Robert W. Piper, P.S. before opening his own practice since January 1997. Gravitating toward the construction aspects, much of his work is Site Development, Site Plans and Septic Layouts.

Business Practices (Lessons Learned From 4 Decades of Surveying) - 2 CPDs

Steve will share his experience on Professionalism, The BIG Mistake, Mentorship, Dealing with the Government, Employee Retention, and Keeping Up With Equipment Changes and Improvements

** Steve Cahill, PS - Senior Consulting Surveyor with 41 years at Abercrombie and

Associates. Steve takes the challenge of molding innovative technology and historic survey techniques to produce best value results for the project team. Licensed in Ohio and Kentucky, Member of KAPS, PLSO, NSPS and Allied Construction Industries, Academic Advisor at Cinti State and Chair of the Tristate Surveyors Advisory Board.

Minimum Standards & Professional Ethics - 2 CPDs

An update in the Ohio's Minimum standards for surveying and recent changes.

Discussions of the Code of Ethics as it compares to adjoining states. Focusing on professionalism, and client and employee relations.

** Brad Kramer, PS - Prior to assuming the role as Director of Land Use Management for

Preble County in January 2015, Brad served as Project Coordinator for Kramer & Associates. He has over 40 years experience in land surveying, engineering, zoning, planning, and site development and is a licensed land surveyor in Ohio and Indiana. Currently serving as Vice President for the Greenville Treaty Chapter of ISPLS. He is also a past Chapter and State President, and currently serves as Standards Committee Chairman for PLSO.

** Gary Nichols, PS - With 50+ years of experience, licensed for 43 years. Gary founded

Nichols Surveying in 1982. President of SW Chapter of PLSO multiple times, a Member of NSPS, Surveyor's Historic Society, and Tri-State Surveyors' Advisory Board. Former Vice Chair of Clermont County Planning Commission, Former member of variety of Clermont County boards.

* * * * *
