Professional Surveyor: Engineering Associates, Inc. is looking for a full time licensed surveyor with a minimum of 5 years managing projects. The applicant must be versed in the day to day operational functions of field and office surveying. Responsibilities would include review and processing field data, writing proposals, ODOT right of way work, construction computations and staking, ALTA surveys, reviewing and preparing survey plats, courthouse research, easements and legal descriptions, conducting topographic and boundary surveys, etc. This position would also include managing one to three survey crews on a daily basis. Complex R/W prequalification from ODOT is preferred. Primarily an office position with occasional field work. Engineering Associates offers you a small firm work environment with large firm opportunities.

Interested applicants should submit their resume to: Kent Baker, Engineering Associates, Inc., 1935 Eagle Pass, Wooster, Ohio 44691 or kent.baker@eaohio.com
An Affirmative Action/Equal Opportunity Employer.
