

Sr. Project Leader/Professional Surveyor

JHA Companies, a multi-disciplinary engineering, land surveying & environmental consulting firm, has an immediate career opportunity for a Sr. Project Leader/Professional Surveyor to join its team of professionals in St. Clairsville, OH.

The ideal candidate must possess an Ohio P.S. license and have the ability to obtain a West Virginia P.S. license. The candidate should have at least 7-10 years of surveying experience with the ability to prepare sketches, maps, plots, charts, reports and legal descriptions of surveys. Experience using AutoCAD (preferred) and/or Carlson is required and be a graduate from a 4-year Surveying or related program (B.S.). The position requires the ability to lead a project team, including other surveyors, but may include working closely with other Project Leaders as part of a project team on a diversity of projects, including natural gas site developments, pipelines, and land developments.

Essential Functions:

- Prepare and submit proposals to potential clients;
- Search legal records, survey records, and land titles in order to obtain information about property boundaries in areas to be surveyed;
- Prepare and maintain sketches, maps, reports, and legal descriptions of surveys in order to describe, certify, and assume liability for work performed;
- Direct, conduct, verify and record surveys in order to establish legal boundaries for properties, based on legal deeds and titles;
- Prepare and supervise preparation of all data, charts, plots, maps, records, and documents related to surveys;
- Demonstrate effective time management, keeping project budget and deadlines in perspective.

The selected individual must be a practical-minded, decision-maker, who sticks by principles but is willing to challenge traditions. This person must be a self-starter who is driven to succeed by humbly serving colleagues and clients every day. A desire to grow and learn new skills, while remaining teachable, is essential to having long-term success in this role. Good people and communication skills, partnered with a flexible mindset, will strengthen the potential for greater levels of responsibility available at JHA Companies.
