

## Professional Surveyor

### Qualifications/Responsibilities:

- Licensed Professional Surveyor in the State of Ohio (and Kentucky preferred)
- 5+ Years surveying experience
- Valid driver's license
- Ability to manage Survey department employees.
- Ability to manage budgets for projects.
- Ability to keep Survey department billable.
- Proficiency with Trimble GPS, Robotics Total Stations and Data Collectors
- AutoCAD experience
- Experience performing Boundary Surveying, ALTA/ACSM Land Title Surveys, Topographic Surveying, Construction Surveying, Right-of-Way, Construction Staking, as-built surveys and Control Boundary.
- Prepare and maintain sketches, maps, reports and legal descriptions of surveys in order to describe, certify and assume liability for work performed.
- Verify the accuracy of survey data, including measurements and calculations conducted at survey sites.
- Analyze data using plans, maps, charts and software such as AutoCAD and GIS programs.
- Direct or conduct surveys in order to establish legal boundaries for properties, based on legal deeds and titles.
- Record the results of surveys, including the shape, contour, location, elevation and dimensions of land or land features.
- Calculate heights, depths, relative positions, property lines, and other characteristics of terrain.
- Prepare or supervise preparation of all data, charts, plots, maps, records and documents related to surveys.
- Write descriptions of property boundary surveys for use in deeds, leases, or other legal documents.
- Plan and conduct ground surveys designed to establish baselines, elevations, and other geodetic measurements.
- Search legal records, survey records, and land titles in order to obtain information about property boundaries in areas to be surveyed.
- Ability to perform necessary checks and recording of information to complete the task and meet or exceed client expectations.

### Skills

- Problem solving and analysis
- Attention to detail
- Ability to understand and interpret data
- Strong math skills

- Client management/customer service skills
- Verbal and written communications skills
- Organization and time management
- Ability to work independently and as part of a team

This position combines office work and outdoor site work.

Compensation is commensurate with experience.
